

Date/Location: 25-02-2020, NSU StudyHall

Attendees: ANE, TH, AAN, NA

Start Time: 1.00 pm

End Time: 1.45 pm

Decisions

=====

- * We will use Pascal-case as our code standard for our project.
- * We used phpDocumentor as our documentation tool for the project.
- * We had checked on the members to log in to stack and trello.

Actions

=====

1. Making use case diagram for our project.
2. Making Use case diagram.
3. Making ER diagram.
